Meeting of The Friends of Hartley Park 27 May 2003

Present: Jonathan Caley, Jeanne Caley, Dave Snell, Kerry Gibbins, Ray Delamare, Michael Dax, Trevor Hargreaves, Vina Shaddick, John Gilmore, Chris Lewis, Bill Clifton, Nick Jones, Phil Shillabeer

Apologies Apologies had been received from David Cole and Christine O'Neill

Notes from the Meeting

- a. The entire Group of Friends wished to offer their sincere congratulations to Councillor David Stark on his appointment as the Lord Mayor of Plymouth
- b. Nick Jones advised that the Notice Board to be located at the Reservoir Road entrance to the park was just awaiting the production of a suitable sign
- c. There was comment that shrubbery kept on falling from the park peripherals into Reservoir Road especially. The hedgerow between the park and the croquet club was constantly suffering in the same manner and action needed to be taken. The "hundreds of rabbits" made this problem more acute.
- d. Thanks were extended to the boys for their distribution of the minutes of the last meeting. Their contribution was much appreciated by all.
- e. Regretably there had not been any further press coverage since the last meeting. The Chairman expressed his view that "hundreds of rabbits" was even newsworthy if it kept the focus on the park and what the group was trying to achieve.
- f. Many thanks were afforded to Nick Jones and his team at the parks department for the production of the plans. Very lengthy discussion took place on their format and NJ made extensive notes of the comment.
- g. VS had received a reply from the WMN together with three photos. The Chairman remains convinced that the many historical aspects should lead to the expansion of interest locally and to media coverage. He thanked VS for her lead role in matters historical. VS felt that it was worth contacting Plymouth Sound.
- h. PS advised that a number of the regular dog walkers wished to help and he would liaise with this particular group as required.

Actions to be taken following the meeting:-

1. The Community Policewoman (Rebecca Anderton) to be invited to the next group meeting (TH)
